## Welcome to the 7th Academic Year (2016-2017) at VOICE

### Annual Payment of Fees:

We are pleased to announce that this year the VOICE charity has decided not to increase the fee provided payment is made for the whole academic year covering the 3 terms. For example, if you previously paid £45/term now it will be £135 for the whole year. There will be extra surcharge for those who want to pay per term or per class. Please see our new fees structure on the new enrolment form.

### Examinations Policy:

Please note that the examination boards have asked us to enforce an examinations policy. This will require registration for the whole year if you are preparing for an examination to gain qualification.

Thanks and welcome back.
